

Kelso Class - September 2025

Dear Parents and Carers,

Welcome back. I hope that you have all had a good summer and the children are well rested and ready to start back.

P.E

This year P.E will be on a Tuesday and Thursday on these days the children will need to come in to school wearing a suitable P.E Kit.

Reading

The school will continue using accelerated reading this year. This is a scheme where children have books appropriate to their reading level and once they have read the book the children have to complete an online quiz. The children then score points for the books that they have read. It is expected that the children are reading at home a minimum of three times a week.

Curriculum

This term Ramsey’s Topic will be ‘Cartography’ as part of this topic we will looking at maps and how we can use these maps to see the difference in the physical and human geography of different areas of the world.. In science we will learn about inheritance and evolution and the scientists Charles Darwin and Mary Anning. We will start the year in English with the text The Explorer by Katherine Rundell , based on this text they will have the opportunity to write a character description, setting description and a narrative.

Homework

This year the children will get English and Maths homework on a Friday and will need to be returned by the following Wednesday. If there are any problems with this, please don’t hesitate to contact me.

Class Dojo

The children did really well at collecting Dojo points last year. The children will continue to gain Dojo points for positive behaviours but also lose them for negative behaviours in line with the school behaviour policy. Using Class Dojo for messaging will be replaced by Bromcom/MCAS this year. All important messages and letters will also be shared using Bromcom/MCAS as this is the system that all LAAT Trust schools use.
