

Welcome back

I know that there will be a mixture of emotions as some of the children return this week, we will obviously endeavour to make this last term as enjoyable as possible in an abnormal situation. In the Hall Bubble all desks are split 2metres apart and contain all the equipment that the child will need. Mrs Hutchinson will be teaching the bubble on Monday and Tuesday and Mr Cook Wednesday-Friday. The teaching assistants supporting the bubble will be Mrs Chitty and Miss Becker. I would also like to say well done for how hard they have worked and it has been lovely to see some of the academic work, but also children learning new life skills. I would also like to say thank you to the parents for all the support over the last ten weeks.

Obviously the children will be coming back to a school which is very different to the one they left and with different rules that they will need to adhere to. They all should know by now what bubble they are going into and these will be the children and adults they will be spending their time with time.

If your child is still going to be home- learning then Miss Ratcliff will be putting the work on Dojo for you to access and will be there to deal with any problems should they arise. However, any other problems I will also be available to contact as will Mrs Hutchinson when she is teaching the bubble. The children will need packed lunches and water bottles which will remain with them throughout the day and they will also need some sun tan lotion which they can apply themselves if the weather is warm.

P.E

This term P.E will be on a Tuesday and a Friday on the days that the children have P.E they will be allowed to come into school wearing PE kit.

Topic

The topic this term is Parliament and Power, in this topic the children will have the opportunity to learn about the Magna Carta, Simon De Montfort, Oliver Cromwell and the Gun powder plot. In English the children will be studying the text Watership Down by Richard Adams, they will have the opportunity to write a setting description, character description and an explanation of what they think makes a good community.

This situation is obviously going to take time for the children to adapt to, if you have any problems please get in touch.
